FOR IMMEDIATE RELEASE
October 7, 2018

FREEPORT SALVATION ARMY PREPARES FOR DEEPER WATER

Supplying need to those in need

Freeport, IL, October 7, 2018– The local Salvation Army disaster teams were activated Friday by regional disaster officials in Peoria.

“This is our community and we serve with the desire to make tomorrow a better day, we strive to relieve suffering humanity” Captain Lee Brickson

Memories of the historical flooding and its aftermath has imprinted memories deep into many residents of Stephenson County. Repeating efforts for the 3rd time since the history making 100 year flood The Salvation Army will be catering to the emotional needs of residents. Hoping for a change of events the local Salvation Army digs in for another round of rising flood waters.

“We will continue to respond to be a community builder and team member of Freeport”

Captain Jim Brickson

Salvation Army will continue with the normal daily services at 106 W. Exchange St. as they continue to assess their response. A response team is being assembled with Disaster Services volunteers and equipment from neighboring communities from as far away as Cedar Rapids IA, Davenport IA., Chicago and Sterling – Rock Falls.

Currently your Salvation Army is in need of your help to meet the needs as they continue to prepare. Financial support can be sent or dropped off at 106 W Exchange St Freeport and reference Stephenson County Flood.
