BUS TOUR OF EASEMENT SITES

CITY-WIDE SANITARY SEWER LINING & IMPROVEMENTS PROJECT – 2011

City of Freeport Water & Sewer Commission

Freeport, IL

The Freeport Water & Sewer Commission has set up a bus tour to visit the sanitary sewer easement sites for this Thursday, August 4, 2011 at 9:00 a.m.. The bus will leave from the City of Freeport Wastewater Treatment Plant (WWTP), 337 S. Hancock Ave, Freeport, IL. Please park in the grassy area immediately south of the pole shed located on the west side of the street. I have hired the bus from 9 a.m. to 4 p.m.. That's my best guess of time. If we need to go past lunch time, we'll break at noon back at the WWTP and regroup again after lunch at the WWTP and continue.

No more than 2 persons from each firm will be allowed on the bus. We will not be able to drive through all the sites due to they are located off road and Freeport has experienced excessive rain over the past week, therefore, bring your boots, mosquito spray, sun screen, water, etc. and we'll hike into and through some spots.

You will also need to bring along the tools and equipment you will need to measure, document the sites. This will be the only time pre-bid to access these sites with permission from the owners. Any time prior or after will have been and be trespassing!

Please RSVP to Jaynellen J. Holloway to my email address jholloway@cityoffreeport.org. If you have telephoned me already, please respond again in email so I have paper copy of it. Also please let me know how many will be in your party.

This tour will be rain or shine! Dress appropriately! See you Thursday. Jaynellen
